FEEDING INSTRUCTIONS

Feed as a treat to your adult cat. This product is a treat and is not intended to be fed as a meal. For optimal benefit, feed 17 treats daily to adult cats weighing 5 pounds or more. Do not feed to cats that weigh less than 5 pounds. The caloric intake from treats should not exceed 10% of a cat's total daily caloric requirement. If treats are given, the amount of food should be reduced accordingly.

Provide adequate fresh water in a clean container daily.

For your pet's health, see your veterinarian regularly.
